# CHILDREN'S TALENTFEST 2019

Dear Children's Director/Pastor,

It is that time again to start preparing for the Missouri District's Children's TalentFest! The date for the event this year is Saturday, February 23rd, 2019 at StL Gateway Church of the Nazarene. Registration and check-in will start at 9:30 a.m. and the opening session begins at 10 a.m. Judging will begin promptly at 10:30 a.m. There will be a one hour lunch break, if needed (this depends on the number of entries). Feel free to bring a lunch or there are several restaurants nearby for your convenience. The fee for the event is \$4 per individual per category and \$10 per choir/large ensemble (large ensemble is a group of 6 or more). The entrance fees MUST be mailed in advance of the event to the address below and checks should be made out to the district. Online registration will be available again this year and I **HIGHLY** encourage you to register that way, but we will still accept paper registrations as well. Each child can register online themselves or turn in their paper copies to the children's director and you can register for them. The benefit of registering online is that you will be able to make any changes/additions to your entry up through February 15th. All entries must be received (either electronically or through the mail) by Friday, February 15th. This ensures that we have adequate time to have certificates printed for each entry.

I know TalentFest is an event that a lot of kids look forward to and enjoy being able to participate in every year. I hope you will encourage all your kids, preschool through sixth grade, to think about the areas in which they may be talented and to explore and use all the talents that God has blessed them with. This event is not just for those that are talented in music, art, or drama. At TalentFest, the children are judged according to their own performance and not in competition with another child. A set of qualified judges in each category will look at each student's talent and score them on a scale of 1-4 (with 1 being the best) in different areas that pertain to that particular category. There will be different scoring sheets used for the different age categories, which are listed on the following page. This is done so that the criteria the children are being judged on is age appropriate. Please also note that one of the areas that each talent will be judged on is "compliance to rules." Some of the expectations/rules have changed this year so please make sure that all kids (and their parents) know what the rules or guidelines are for each category to avoid being marked down in this area. If you are going to register with paper applications, please send only one packet with the applications with one check per church. Checks may be made out to "Missouri District Church of the Nazarene" with "Children's Talent" written on the memo line. All fees and paper registration forms must be received by February 15th, 2019. **Checks and all paper forms should be mailed to:**

**Steven Baker**  
**1065 Preakness Lane**  
**Florissant, MO 63033**

If you have any questions please feel free to call, text, or e-mail and I will do my best to help in any way possible. May the Lord bless you in your talent and time while working with our children for this upcoming fun filled event!
